

Located in Currumbin on the **Gold Coast, Queensland**, Soundlounge can be configured for 300, 500 or 700 guests.

Live music for over 10 years

Soundlounge offers modern production, excellent room acoustics, plus numerous capacity and seating options to create the best original live music venue on the Gold Coast.

All about the music

We've had a diverse collection of popular Australian & international artists entertain our audiences since Soundlounge's first opening in 2004, with past performers including Sarah Blasko, Angus & Julia Stone, Passenger, Violent Soho, Boy & Bear, Eric Bibb, Emma Louise, Kate Miller - Heidke, J Mascis, In Hearts Wake and hundreds more.

Our mantra

Our purpose is to advocate original music, embracing all genres and artistic styles. At Soundlounge, we believe in supporting the live music scene locally, nationally and internationally. We endeavor to be the premier music venue on the Gold Coast.

Where we are

Soundlounge is located upstairs at Currumbin RSL on the Gold Coast, just 6km from the Gold Coast Airport, 2 minutes off the M1. Ideally situated between Brisbane and Byron, each only an hour's drive away. Soundlounge is a perfect destination as part of any national tour run.
